Assessment Information

- 1a. Please do not come to school if you do not have an exam as we do not provide supervision for students during exam times.
- 1b. Please make arrangements to leave campus shortly after completing your exam.
- 2a. Please bring 2 HB pencils and 2 pens (black or blue) to every exam. You may also require a calculator which supervisors will not provide.
- 2b. Some exams may require other materials which your teacher will advise you of. It is the student's responsibility to come prepared.

Assessment Information

3. Please return textbooks to the exam room.
 - 4a. Check the exam schedule and arrive at least 20 minutes before the scheduled exam time so that there is ample time to carry out pre-exam procedures.
 - 4b. The exam supervisor will outline the exam rules, guidelines and expectations at the beginning of the exam.
- *The Provincial Numeracy Assessment is a graduation requirement.** All grade 11 students are expected to write it in January 2019. Any grade 12 students who have not written it yet will also be required to write in January 2019.
