

HOW TO USE THE BUDDY BENCH

WOW! A buddy bench!

My friends aren't here today. I'll wait on the buddy bench.

DO sit on the buddy bench when you're lonely.

Sigh... I'm so lonely.

DON'T walk around by yourself when you are lonely.

Hi, would you like to play with me?

DO invite someone to play with you.

la la la laaaa...

DON'T ignore someone on the buddy bench.

Want to play with me?

YES

DO say YES when someone asks you to play.

Want to play with me?

No

DON'T say NO when they invite you to play.
